

Social Science Fellowship

Institute of Economic Growth, Delhi.

The Institute of Economic Growth (IEG) invites applications from Indian social scientists to pursue research under the Institute's Think Tank Initiative (TTI).

Eight Post-doctoral Fellowships named **IEG-TTI** fellowships, will be awarded for research in economics, sociology and population studies for a maximum period of six months. The fellow should have a Ph.D. degree, preferably below 35 years of age. The fellowship is up to August 31, 2014.

The Fellow will: (a) work full-time on research and not undertake any consultancy work; (b) give one seminar during the fellowship; (c) prepare one high quality paper, publishable in peer reviewed journal. A Fellow will get a consolidated monthly stipend of Rs.50,000 (Rupee Fifty Thousand Only). Pay of the candidates will be protected for those who are in service. She/he will have access to a personal computer, e-mail and internet facilities, and resources to attend one professional conference in India. The Institute will provide accommodation on Campus to the Fellow from outside Delhi, subject to availability.

The applications should be sent to the Academic Programmes Officer with full details of academic experience; long-term goals; a brief research proposal on a topical issue of policy relevance in 500 words; a copy of one or two best publications; and names (and, if possible, also the e-mail addresses) of three referees. Applications should reach the **Academic Programmes Officer, Institute of Economic Growth, University of Delhi Enclave, (North Campus), Delhi – 110007 (Email: sushil@iegindia.org)** latest by February 15, 2014. If needed, interviews will be conducted telepathically. The candidates must send their email address and mobile number. The selected candidates are expected to join on or before March 1, 2014.
